RE: ICU Investigations  
Ms. Ronda Godard

To Whom It May Concern:

I am a client of ICU Investigations who retained the firm earlier this year to provide process service for a civil litigation I am involved in. I had been unable to locate and effectuate service on the party I am suing until I contacted Ms. Godard and her firm. She and ICU provided prompt, professional, fast and efficient service within 12 hours of being notified of my case -- and all this unfolded over a weekend.

I would highly recommend Ms. Godard and ICU Investigations to any person or entity in need of such legal assistance. I would use ICU again in a heartbeat, and have already recommended Ms. Godard to my legal counsel, as well as to friends here and out of state.

If you have any additional questions, feel free to contact my office at (760) 944-4487. I have very high standards and expectations in my professional life. Ronda Godard and ICU Investigations exceeded my hopes and needs, and to this very day Ronda and ICU remain one of the few bright spots in a typically high-stress ongoing legal proceeding.

Again, please call me if you need any further information about Ms. Godard and ICU Investigations.

Sincerely,

Mark Putnam
